The Only Breeze AI Reference Chart You'll Ever Need

...Built for Growth-Minded Leaders

TLDR

The **Breeze AI Feature Matrix** helps C-suite leaders and HubSpot users understand and utilize HubSpot's AI capabilities effectively across their teams to:

- **eliminate confusion** and
- **drive strategic growth.**

3 Signs It's Time to Activate AI

1. **Manual Processes:** Time-consuming lead qualification or lead leakage.
2. **Generic Outreach:** Low engagement due to limited (or no) personalization.
3. **Unclear Visibility/Predictability:** Uncertain pipeline forecasts

Introduction

If you're a **CEO, CMO, CRO, COO** or a **HubSpot user** trying to make cross-functional decisions, the real question is:

Where's the **clear, centralized guide** that tells you

- What Breeze AI features are available
- In which HubSpot Hubs - and
- **what's free, what costs extra**, and who should actually be using what?

Periti built this guide for growth-minded mid-market organizations who are ready to cut through the clutter and

>> **Activate AI** across your entire customer lifecycle: from **marketing** and **sales** to **service**, **content**, and **operations**.

Why This Matters: Practical AI for Growth

Whether you're the CEO defining transformation goals, a CMO owning customer acquisition, a COO optimizing team productivity, or a power user of HubSpot...

The **Breeze AI Feature Matrix** is your shared source of truth.

- **Marketing** can align their campaigns with what Sales is using for outreach.

- **Sales** gets clarity on how their tech stack is evolving with real buyer intent signals.

- **Service** teams can use automation with confidence and know they're not duplicating effort.

- **Operations** gets control and foresight on what's scalable and cost-effective.

- **And you?** You get a clearer path to operationalize AI at scale.
